

Town of Louisburg
110 W. Nash Street, Louisburg, NC 27549

Medium General Service Electric Rate Schedule

Availability

This schedule is available for electric service used by a non-residential customer [with energy usage greater than or equal to 1,000 kWh per month](#). When energy consumption falls below 1,000 kWh per month for 6 consecutive months, customer will be moved to the Small General Service Rate in the next billing period.

This schedule is not available for the following: (1) a contract period of less than one year; (2) residential service; (3) for resale or shared service; (4) short term or temporary service; (5) where energy falls below 1000 kWh for 6 consecutive months; (6) where demand usage exceeds 150 kW for 3 consecutive months.

Applicability

This schedule is applicable to all electric service of the same available type supplied to the customer's premises at one point of delivery through one kilowatt-hour meter.

Types of Service

The types of service to which this schedules is applicable are 60 cycle alternating current, either single phase 2 or 3 wires or three-phase 3 or 4 wires, at the Town's standard voltages. When Customer desires two or more types of service, which types can be supplied from a single-phase, 3-wire type or a three-phase, 4-wire types, without voltage transformation, only one type of service necessary to meet the Customer's requirements will be supplied.

Monthly Rates

Single Phase Service:

<u>Monthly Customer Charge</u>	\$12.00 per month
<u>Energy Charges (per kWh)</u>	<u>Base Rate</u>
For the first 500 kWh	\$0.15797
For the next 1500 kWh	\$0.11918
All Additional kWh	\$0.10569
<u>Demand Charges (per kW)</u>	
For the first 5 kW	No charge
All Additional kW	\$5.20

Three-Phase Service:

<u>Additional Monthly Charge</u>	\$7.75
---	---------------

Determination of Energy

The kWh of energy shall be the sum of all 60 minute integrated demand readings during the current billing period.

Determination of Demand

The determination of the kW of billing demand shall be the highest average kW measured during any 15-minute interval during the current billing period.

Payments

Bills are rendered and are payable on the 15th of the month. Any bills not paid by 5:00 pm on the 15th day of the month will accrue a \$5.00 or 1% penalty (whichever is greater). Any bill not paid in full by 5:00 pm on the 20th of the month, is subject to disconnection of service.

Sales Tax

North Carolina utility sales tax will be added to the total charge under this schedule.

General

Service rendered under this schedule is subject to the provisions of the Rules and regulations of the Town of Louisburg, NC.

New Rate Approved by Council on 6-19-06

Effective Date for Rate Schedule: 8-1-2008
